Village residents are asked not to flush certain items down their drains (sinks, toilets, tubs etc.), paper towels, napkins, diapers, baby wipes, other wipes such as Clorox, Windex, etc., ladies' products, cloth or any similar-type materials.

These items are commonly found in the Village sewer system and can wreak havoc.

Many residents don't realize this, but such materials can cause blockages in the system, which can result in sewer backups in homes, businesses and other facilities.

Mayor's Message.....

It gives me great pleasure to reiterate that Patrick Kelleher is the Grand Marshal for the Village's 1st Annual St. Patrick's Day Parade and Ramble. He is a most-deserving honoree. Having devoted his life to public service, Kelleher served as First Deputy Commissioner of the New York City Police Department. A detailed biography is included in the insert. It is easy to see how Grand Marshall Kelleher rose from the rank of patrolman to one of the highest ranks in the N.Y.P.D. His calm demeanor, attention to meticulous detail and extraordinary work ethic are only a few qualities of this amazing man.

Patrick has also given so much to the Montgomery Community. A faithful parishioner of Holy Name of Mary Church in the Village, he has given much of himself to charitable causes for that organization. Kelleher also chaired the tribute to the Tenth Anniversary of the 911 Tragedy. He did a superb job in this regard coordinating between local churches, military, emergency responders and Montgomery Fire Department. The ceremony was one which will be remembered for many years to come. Patrick is also Vice Chairman of the St. Pat's Ramble Committee and serves on the Memorial Day Parade Committee and the New Bandstand Committee. Whatever the charitable

cause in Montgomery, Patrick is always willing to lend a hand. His benevolence is exemplary.

Please join me in paying tribute to Grand Marshal Kelleher on March 23rd. The Village and Town of Montgomery are indeed proud and fortunate to have him as one of our own.

I would like to personally thank Barbara Cuneo for being such an important part of our Village. Barbara certainly stands out as an above-and-beyond business owner downtown.

New Bandstand Update

The Bandstand Committee is moving forward with possible designs for the new bandstand at the old post office site. The new structure must be handicapped accessible and will have a concrete base that will last many years into the future. A separate compartment will be designed to

house the lighting and utilities. The bandstand will have a rotunda design similar to the bandstand that the Village had in the mid-20th Century. The roof will have a slate look, and the final landscaping is planned further down the road.

Historian's Corner

"Montgomery Village Museum"

Another successful year at your Village Museum has brought interest of our quaint area for your residents and far-away visitors. An Australian Renaissance Paper-Making Firm spent several days researching early paper-making methods, including our Walker Brothers Paper Mill owned by New York City famed artisans" Unobtainable needed information, destroyed in fire of 1903, proves the need for document preservation for future generations.

Veterans programs were appreciated, especially one rendered by our George Weeden, explaining his Korean Conflict experiences and honors. His donated uniform is on display permanently drawing interest year round.

Montgomery Elementary School Principal, Mrs. Serratore, and her staff enjoyed learning of their "school-house," presenting a stupendous 75th Anniversary Celebration of their building's opening years, Montgomery High School. Again, Boy Scouts Troop 386 have continued their assistance, and Girl Scout and Brownie Troops visiting to learn as well as 4th grade students on their annual history tour. A "Celtic Cultural Program" was hosted on March 9 and was a success.

A campaign to honor Mr. William O'Hall, a terrific Musician and dedicated Band Leader, and long-time resident, has begun at the museum with donations and ideas for his suitable memorial. Your assistance is appreciated.

Regarding "Monty our Mastodon": Years of detailed research by the late Joseph Devine must be rekindled

with progress of his aims. Mr. Evan Galbraith appreciates your help to prosper their unfinished plans upon his property.

Thanks to faithful volunteer decent-ladies and Historic Montgomery Association for their 2012 assistance.
